FOUR-WHEELING IN THE BLACK HILLS OF SOUTH DAKOTA

## *“28th Anniversary Event”*

The Black Hills 4-Wheelers are proud to present the **28th ANNUAL DAKOTA TERRITORY CHALLENGE**. We would like to invite you to join us in kicking off a new decade of wheeling, broken parts and big smiles at the DTC. The Challenge will be held September 2nd through September 6th, 2010.

The Dakota Territory Challenge offers a variety of trails with several levels of difficulty. We have trails that are just for you whether you like scenic tours, moderate trails, or technical rock crawling. Trail ratings are assigned so that you know the vehicle requirements for each and trail descriptions will be posted in the registration tent at the event. All vehicles will undergo a technical inspection and will be ranked based on the vehicle requirements listed in the trail ratings. Please review the vehicle requirements and come prepared.

We are pleased to announce that the event headquarters will be at the Whispering Pines Campground again this year. The General Store has a full line of groceries, snack bar and western style gift shop. With breakfast specials every morning, sack lunches available for lunch on the trail and a supper special each night when you return you won't go hungry! The campground is located at the intersection of US Highway 385 and the Silver City junction. In addition to our normal camping, Whispering Pines has four cabins and one house for rent. Call 605-341-3667 for reservations if you are interested in the rentals or if you will be arriving early for the Challenge. You can also check their web site [www.blackhillswhisperingpines.com](http://www.blackhillswhisperingpines.com).

**Camping spots are on a first come first serve basis. Please check in with the campground upon arrival. If arriving late you must park on the gravel road around the store. Do not pull into a campsite without registering.**

The DTC 2010 fee for each vehicle, its driver, and four nights of camping is \$200. Each additional passenger age 16 and older will be charged \$60. **A new change for the event this year is that the 2010 Challenge registered vehicles allowed has been reduced to 75.** So don't delay, get your applications in quickly. **Registration deadline is May 15, 2010.** Registrations will be processed using a lottery system. All registrations will be assigned a number as they are received and a drawing will be held after the deadline date of May 15th, 2010. If there are still spots open after the deadline we will keep registration open until the event is filled. If you want to attend the event with friends, put all your registrations together in the same envelope. Multiple registrations in one envelope will be drawn together during the lottery. Cancellations prior to July 1<sup>st</sup>, 2010 will be refunded after the Challenge. Cancellations after July 1<sup>st</sup>, 2010 are non-refundable. Registration transfers will be accepted if notification of the transfer is received by August 15<sup>th</sup>, 2010. Please

make sure that you sign the back of the application before you mail it in. A \$35 NSF fee will be charged for any returned checks.

We offer sweatshirts, T-shirts, hats, coffee mugs and pins imprinted with the Challenge logo. If you would like any of this merchandise, please send your order and *payment* with your registration.
