

**ROCK.
WE'RE ON IT.**

DAKOTA TERRITORY CHALLENGE 2020

September 3rd – 7th, 2020!

The Black Hills 4 Wheelers is once again hosting the 38th Annual Dakota Territory Challenge! This is a fun-filled family trail ride event offered over 3 days. We have trails for ALL LEVELS. Scenic, Mild, Medium, and Hard technical rock crawling trails are all available each day of the event. Club members are available on every trail to guide, spot, and assist each participant as needed. Trails are assigned ratings that outline the vehicle requirements along with posted trail descriptions. All vehicles undergo a technical inspection and are given a trail rating. Review the vehicle requirements and come prepared!

Changes this year include a move to **Rush No More Campgrounds** located just South of Sturgis, SD. See Page 4 for further details and camping arrangements.

We will now allow dogs at our event! It is important to note that all pets need to be on a leash in the campgrounds (campground rules) and cannot be left alone to bark in the campgrounds! We will not allow dogs to ride along on the trails for safety measures but the good news is that there is a dog kennel a short distance from the campground! Contact Kelli at South Dakota Canine Center, 21026 Pleasant Valley Drive, Sturgis, SD @ 605.561.0249. Will need to provide proof of current vaccinations for your dog.

Registration deadline is July 15st, 2020 and limited to the first 55 paid vehicles!

T-shirts and sweatshirts with the Challenge theme (see above logo) are offered for the event. We will have limited merchandise on hand at the event. No post orders available. This year's theme is "**ROCK. We're On It**". Ordering details will only be available via online web order only. Watch for further details either on FaceBook or on our website at bh4wheelers.com. Your pre-ordered merchandise will be available at registration.

Please review the Event Rules, Registration details, Trail Ratings, US Forest Service Permit Requirements, Campground rules and Schedule of Events (subject to change before the event) before registering!

Should you need more information or help with a specific situation, please email or call us.

Pactola Visitor Center, Southside of the Dam on Hwy 385	605.345.8755

It is your responsibility to have your permit for the event.

Trail Ratings

The rating system is based on a 1-10 scale with 10 being the hardest. Traction devices are considered limited slips or devices that require a certain wheel speed to engage. A locker does not require wheel spin to engage.

Difficulty 5: At this rating you are starting to stretch the capabilities of a stock vehicle and the novice driver. Body damage possible. Low range, high clearance, and 4 wheel drive required,

Difficulty 6: Larger than stock tires, 1 locker or 2 traction devices required; Winches advised due to large boulders, steep inclines, etc.

Difficulty 8: Not advisable for novice drivers; potentially dangerous situations; maximum ground clearance, lowest gears, Body damage likely. 35"+ tires, 2 lockers, and winch are required

Difficulty 10: Purpose built buggy style vehicles, 39"+ tires, 2 lockers, and winch are required

Vehicle with a lower trail rating maybe allowed on the trail at the trail leaders discretion

VEHICLE REQUIREMENTS – Checked at technical inspection

1. Fire Extinguisher
2. Roll Bar on Soft-Tops
3. Spare Tire – Can be left at the trailhead on a trailer
4. First aid kit
5. Seat Belts for all occupants
6. Muffled exhaust system, no open headers
7. Ash tray in all vehicles that smoke
8. Recovery Points (Front and Rear)
9. Registration, Insurance, and OHV Permit
 - a. Vehicles trailed to the trailhead must have insurance and permit

Event Rules

- **No Alcohol/Illegal Substances allowed on the trail. This includes any time you are participating in an event trail ride or being a spectator of an event trail ride.** Failure to respect this rule will result in being asked to leave the event and reported to the proper authorities.
- **NO PETS allowed on Challenge trail rides.** This includes dogs. See first page for further information.
- VHF radios will be used by the trail leaders for trail communications. We encourage participants to purchase one of these radios for the event. The BaoFeng UV-5R+ radio can be purchased on Amazon.com for ~\$35.00. Programming will be available at the event. We will have a few pre-programmed radios available for purchase also at the event.
- Drive responsibly to protect the environment and only where motorized vehicles are permitted. The trail leader is responsible for the conduct of the trail ride and his/her decisions are final. If you leave a trail ride before the conclusion, you must contact the trail leader before leaving.
- All participants must abide by U.S. Forest Service rules and regulations. Do not take items from historic sites; leave history for all to enjoy.
- Always maintain visual contact with the vehicles behind you. Stop and wait for the vehicle behind you if you lose sight.
- Vehicle technical inspections will be conducted for required safety and trail equipment.
- All vehicles must be registered four-wheel drives and must have proof of liability insurance. The BH4W's are not responsible for accidents, damage, or injury to persons or vehicles. All drivers must be at least 18 years old and are responsible for the occupants of that vehicle. All occupants must be registered, paid for, and sign a waiver. No motorcycles, three wheelers, ATV's, etc., will be allowed at any time.
- Forest Service OHV Permit.
- Refrain from smoking at all while on the trails, it is only allowed in an enclosed vehicle.
- All trail repairs requiring cutting, grinding or welding will only be allowed at the discretion of trail leader and under direct supervision due to fire dangers.
- Failure to follow DTC rules will result in being asked to leave the event without a refund.

Campground Rules

- Campfires are not allowed, unless they have a single source that can be shut off (propane fire pits, etc)
- Generators are not allowed; all sites have electrical hookups or can get electricity from a nearby source.
